

CAMANO CANINE RESORT, INC.

BOARDING CONTRACT

Terms and conditions – Please read carefully before signing!

DAILY RATES: Camano Canine Resort (CCR) is billed like a hotel. Pet guests incur charges for the first night regardless of the time of check-in. Check-in time is after noon. Check-out time is by 10:00 am. Additional charges may be added for early entry or late check-out. Payment is due in full upon check-out in the form of cash, check payable to Camano Canine Resort, or credit card.

ARRIVAL CHECK-IN: All pet guests must be secured on leash or in a pet carrier when arriving and leaving the Resort. All pets must have a collar on at all times with ID tags securely attached. A vaccination record from a veterinarian is necessary stating that all required shots are current. Owner may bring bedding or toys from home to further the pet's comfort. However, CCR will not be responsible for the destruction of any personal items or their replacement or return. Room rates are posted; if there are Billing questions or special details, owner should discuss and resolve the issues with CCR staff at check-in.

FOOD: CCR requires that all meals and/or medications be supplied by the owner in order to avoid unpleasantness caused by a sudden diet change. Owners must provide an ample amount of food for the guests' stay PLUS 3 days extra for good measure. Food should be placed in a container with the pet's first and last name on the outside with feeding instructions enclosed or attached.

RELEASE OF LIABILITY: CCR strives to make the Resort a safe, comfortable and fun place for its guests. However, bad things can happen despite the best intentions. There is always a risk when one pet interacts with another, or is in a different environment. Pets can suffer illness, disease, injury, theft or loss. The owner hereby releases CCR, Inc., its owners, employees, contractors, handlers, visitors and landlord, from any and all liability for any illness, injury, loss or damage to owner's pet while being trained, handled or cared for by or at CCR. _____ (INITIALS)

VETERINARY CARE: Sometimes a pet guest may need immediate Veterinary care while at the Resort. Staff will attempt to contact Owner or the Emergency contact at the first opportunity. However, if the pet guest requires professional attention, CCR may, in its sole discretion, engage the services of a veterinarian of its choosing, administer medications, or give other requisite attention to the pet. This includes sedation if deemed necessary to prevent the pet from bringing harm to itself or others. Any such medical care or treatment shall be paid by the Owner, including transportation charges.

Payment: Room and other rates and charges are posted. Payment is due in full at check-out. Owners realize that under State law CCR has the right to a lien on guest pets such that the pet need not be returned until all charges are paid. There will be a \$35 returned check charge for dishonored checks.

Owner's signature: Owner understands that this document is legally binding, and that owner's signature is required before any services will be rendered by CCR. Owner's signature on this form is proof of acceptance of the above terms and conditions, and especially the Release of Liability and responsibility for Veterinarian charges. This agreement continues in effect and has no time limit such that it is valid and enforceable for any and all current and future services at or by CCR.
